## FOLD A Beauty

- MDF and chipboards used in Soft Touch panels conform to European standards and are E1 (EN 120) Formaldehyde Emission certified.
- The surface of soft touch panels have a silky soft feeling with pastel color effects
- Soft Touch panels are protected against color fade and have a 10 year color fade warranty.
- All of our Soft Touch panel products have high scratch resistance and non-stain resistance compared to the same panel products offered by other panel manufacturers on the market.
